GROUND POOL

JAVA LX | Cape Cod Wall

HYBRID
series

The **Java LX** will bring sophistication to your backyard with its subtle tones of dark greys and beautifully detailed wood pattern mimicking sun-bleached planks. Sleek details and high-end finishes make the **Java LX** the perfect addition to your yard. The combination of steel and resin is what makes this pool strong and durable. Get ready to start making memories that will last a lifetime with the **Java LX!**

Your above ground pool has been designed to provide years of safe, family fun, but water safety must always be practiced. When used incorrectly, your above ground pool can be dangerous. It is shallow, which makes diving and jumping into the pool unsafe and could lead to severe injury or death. To ensure your above ground pool is used safely, please observe all safety precautions that were provided when you purchased your pool. You must conform to all local regulations. The dimensions, weights, illustrations and other specifications are approximate. The company reserves the right to modify and/or discontinue any feature in any pool model without notification.
